# C<sub>orporate</sub> WALL

Extraordinary Reconfigurable and  
Moveable Architectural Walls . . .  
because change is inevitable.

Corporate Wall pays for itself if you  
move or reconfigure your office just  
once; plus you receive the benefits of  
a fast, easy and convenient transition.

More importantly, we'll be there, from  
initial concept, to installation, to the  
next time you need to change.

### Panels

### Doors

## **Environmental Impact**

100% Recyclable

LEED™ Materials & Resources:

**Recycled Content Credit 4.1:**  
Sum of the post-consumer recycled content + ½ pre-consumer content constitutes at least 10% of the total value of the materials.

**Recycled Content Credit 4.2:**  
Sum of the post-consumer recycled content + ½ pre-consumer content constitutes at least 20% of the total value of the materials.

**Regional Materials Credit 5.1:**  
Minimum of 20% of the combined value of materials and products are manufactured regionally within a radius of 500 miles.

## **Customer Service**

As Transwall clients have known for over 30 years, we assume an ownership stake in every aspect of every project. To us, direct support by the manufacturer of the design, construction, fit-out, move-in and life-cycle changes are as important as engineering and producing the finest wall systems in the business.
