

REASONS

REASONS

Introducing REASONS, a remarkable furniture system offering a perfectly realized synthesis of functionality and aesthetic subtlety. Featuring clean, graceful lines and elegant architectural contours that don't sacrifice function in favor of trendy aesthetics. REASONS was designed according to the simple principle that office furniture should place no restrictions on its own use. In an era when the constant recombination of personnel into shifting project teams calls for the rapid reconfiguration of work spaces, REASONS offers highly versatile features that lend themselves to adaptation and change. The task of sculpting office space has never been easier . . . or more economical.

REASON #1: DETAILS ARE THE DIFFERENCE. FULLY RESOLVED CONNECTIONS ENABLE EASY ASSEMBLY AND RECONFIGURATION.

REASON #2: OPTIONS OFFER UNLIMITED SPECIFICATION VARIETY WITH A WIDE RANGE OF COMPONENTS, COLOR, MATERIAL, AND TEXTURE THAT ALLOW PERSONALIZATION OF SPACE TO ACCOMMODATE ANY AESTHETIC, FUNCTIONAL, PSYCHOLOGICAL OR ERGONOMIC REQUIREMENT.

REASON #3: VERSATILITY THAT OFFERS STACK-AND-SLIDE FLEXIBILITY WITH OFF-MODULAR FREEDOM TO PROVIDE DYNAMIC SPACES . . . FROM FULLY BOUNDED PRIVACY TO OPEN OFFICE INTERACTION, REASONS DOES IT ALL.

REASON #4: TURNKEY RESOLUTION . . . TELL US YOUR REQUIREMENTS,
WE'LL DO THE REST, FROM DETAILED FLOOR PLANS TO FINAL INSTALLATION.

REASONS

REASON #5: INFINITE CAPACITY FOR PHONE, DATA AND POWER EASILY ACCESSIBLE THROUGH SNAP OUT PANELS. OUTLETS CAN BE PROVIDED FOR PLUG AND PLAY ACCESS AT OR HIDDEN BELOW THE WORKSURFACE.

REASON #6: OUR STACKING PANEL SYSTEM MAKES THE RECONFIGURATION OF WORK SPACES EASY AND COST EFFECTIVE WITH STACKING PANELS THAT SLIDE AND SNAP TOGETHER. START WITH A BASE PANEL 39" HIGH. SNAP IN ADDITIONAL 15" PANELS TO CREATE WALLS RANGING FROM 39" TO 99".

REASON #7: OFF-MODULAR FLEXIBILITY IS THE KEY TO DESIGNING ADAPTABLE WORK SPACES. STORAGE COMPONENTS WORKSURFACE, AND WALL PANELS ARE INDEPENDENT OF PANEL WIDTH; THEY SIMPLY SLIDE LEFT OR RIGHT ACROSS THE PANEL SURFACE TO WHICH THEY ARE ATTACHED.

REASONS provides intelligent functional solutions for today's fully wired electronic environments, offering an enormous wiring capacity with intelligent lay-in cable distribution and unmatched outlet options for electrical, voice, and data networks. The unique optional "data storage closet" shown below centralizes network functions facilitating day to day management of power and data.
